Welcome

Welcome to our June newsletter....I hope all is well with you and your families. The weather has been really lovely and certainly much better than last year. It certainly helps to make life a little brighter in what are some pretty dark times.

Now for some updates:-

Proposed Roundabout

We are still awaiting a date for the Planning Committee meeting. We are in regular contact with the designated Planning Officer...we hope to be given reasonable notice of the date so that we can let you all know in good time for anyone wishing to attend...watch out for notification on our Facebook page and website. Although my confidence levels on this are pretty low. We are also led to believe that for anyone who wrote into the planners, individual letters have been sent out to those people, seeking further input to some changes that were made, namely :- A Revised General Arrangement Plan (Drawing No. 70065269-WSP-GEN-ZZ-DR-CH-0101), a Mineral Resource Assessment Report, a Cultural Heritage & Archaeology Technical Note, an Addendum to the Planning, Design & Access Statement and an Acoustics Technical Note...if you sent a comment and haven't heard from the planners, please let the clerk know ASAP. That said it appears that the Planning Team are pressing ahead with the original scheme as tabled by the Design Team.

The 'Bus Stop'

We are still waiting on the timetable from our County Councillor representative, Tom FitzPatrick. In the meantime we are obtaining some quotations for a bench seat in response to requests to reinstate a 'bus stop' at the south end of Raynham Road.

The Duck Pond

Our contractor has been to site and reported to the Clerk that conditions for sowing have been far from ideal. He has been in contact with the Estate Manager who have similar issues, and it has been agreed that once the weather and soil conditions have improved the seeds will be sown. In the meantime the contractor will be on site strimming and clearing where necessary in accordance with the maintenance schedule. We feel sure that after such a long wait it would not be sensible to rush ahead with 'ill timed' sowing, but fingers crossed it will be done soon.

Merger of Hempton and Pudding Norton Parish Councils

Unfortunately the legal processes associated with the merger have been subject to delay within NNDC... we understand this has happened as a result of disrupted staffing levels within the legal department. However, we have very recently received confirmation that an officer is now 'on the case'. We still hope to have our first 'joint' meeting in July if at all possible...much depends on how quickly the newly assigned officer can do what is necessary to ensure that the merger proceeds without compromise...we do not want any last minutes hitches.

Councillor Vacancies

We still have some vacancies...if you wish to find out more please contact the Clerk via hempstonparishclerk@gmail.com and she can arrange a chat to run through the process. We would love to hear from you.

Jubilee Celebrations

We look forward to seeing you on Thursday 2nd and Sunday 5th. Cllr Haydon has been working hard to bring the arrangements for the events together so that a fun filled time can be had by all.

This milestone anniversary for Queen Elizabeth II will go down in the annals of history as 'a first', and as I sit writing this article it is unlikely to occur again for many years to come. So in a small way we will be contributing to the making of our nations history.

A reminder of the itinerary can be found below.

Take care and stay safe...Omicron is still stealing a march on us.
