Message from your local Inspector, Ed Brown

I hope everyone had a peaceful New Year. Our officers were deployed throughout the festive season continuing to provide a 24 hour emergency response service as well as demonstrating the best of community policing. It was particularly pleasing to see positive feedback around our special constabulary public order team which assisted over the festive season. Unfortunately, this period has seen a small number of burglary offences both in the town in the surrounding rural parishes and I am tasking officers conduct patrols and provide crime prevention advice to victims to avoid further incidents. We are running Special Constabulary recruitment events over the next few months so if you are interested in helping out locally then this could be an opportunity for you. In a rural area it is always important to be vigilant and to report activity which doesn't feel right.

Message from your Engagement Officer, PC Pete Davison

Our drones have become a vital resource to the Constabulary, and since their introduction in 2017 have been involved in searching, locating and saving the lives of a significant number of people. With the introduction of our latest drones, we now have the capability to deploy in all weather conditions, day or night. The drone allows us to search large areas, quickly and efficiently and environments that would ordinarily be too dangerous, such as rivers, wetlands, or demolition sites. Here in North Norfolk two of our Beat Managers are now being trained as Drone Pilots this will also allow us to deploy the drones to assist with local policing priorities such as Marine Crime.

Pete.
