6. Public opportunity for questions
A member of the public present expressed concerns about the caravan and container at the Goggs Mill site and their proximity to the river Wensum. The member of the public has also reported dumped waste on the other side of the river to FTC which is being burned and wondered whether this was connected with the Hempton site. Cllr Woods explained that the PC are aware and are awaiting the outcome of deliberations from the NNDC Enforcement Team.

This member of the public also commented that his wife is a member of a keep fit class at the Memorial Hall and has commented that the heating is still on, even during these milder months.

Cllr Woods explained that the Hall Committee is run separately to the Parish Council and advised that users should raise these comments with the organiser or bookings clerk. Cllr Woods will however pass this feedback on at a future Hall Committee meeting.

Meeting was then closed at 6.50pm.
