Welcome

Hello and welcome to our April offering. Although we are officially into Spring the skies are grey and it's raining. That said I know we need the rain because as a county it seems we are already in drought, so, quickly moving on from that rather downbeat note here's what's been happening.

Duck Pond

We have seen a couple of new arrivals; a shoveler duck, and a pair of geese that appear to be nesting. Discussions about what we use and placement of the logs and posts to demarcate the green space and parking are underway. If you have any views about this then we would be very happy to take them into consideration. Please email the Clerk at hemptonparishclerk@gmail.com

Roundabout

We will be asking the project leader for an update as there has not been any formal communication since the decision. Not least some current projected financials would be useful, together with the impacts, or rather potential impacts of the high pressure gas main being identified and marked.

Local Elections

The elections will be held on Thursday 4th May and whilst NNDC are encouraging postal voting the Memorial Hall will be used for those voters wishing to cast their votes the traditional way, however, if you want to go and vote in person then you must take some formal photographic identification with you (e.g. drivers licence, passport, bus pass etc) for a full list of ID please visit www.north-norfolk.gov.uk/voterID or call 01263 513811.

Cadent

We are still waiting to hear from the project team. However, the Clerk will ensure that there will be no works planned until after the Coronation weekend.

Roadworks

The temporary traffic lights have been installed once, then removed, installed for a second time for what appears to have been approximately half a day's work. The Clerk will be checking this out with the Highways team to find out what the issues are.

Coronation Celebrations

We have plans to celebrate the Coronation of King Charles III on 6th May. We sincerely hope that we can all come together and have a great afternoon and evening. There will be lots happening and it should be lots of fun for the entire family. There's more details about the event in this newsletter.

Don't forget to vote and put 6th May into your diaries and get ready to party, fingers crossed for good weather.

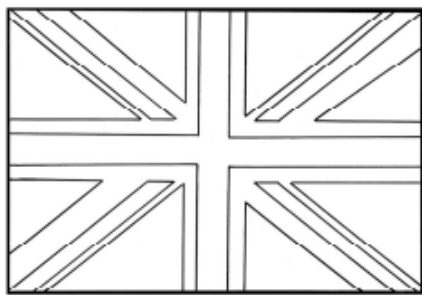

Take care, Vivien Woods, Chair

The Royal Coronation

KING CHARLES

III

CORONATION DAY
6th May 2023

The Royal Coronation

People across the country and the Commonwealth are invited to celebrate the Coronation of His Majesty The King and Her Majesty The Queen Consort on 6-8 May.

We would like our village to be included in these celebrations and are therefore planning a number of events and activities, in association with the Bell, the Church Hall and the Memorial Hall, which are still to be finalised. We hope to have something for everyone and really hope that you will join in by taking part in the events and activities and by decorating your house or street with flags or bunting.

Hempton Scarecrow Trail

Let 's brighten up the village and create lots of royalty-themed scarecrows to display in your front gardens over the Bank Holiday weekend Saturday 6th - Monday 8th May. This is not a competition and your creations will not be judged ...but much admired!

One of the fantastic scarecrow's from the Queen's Jubilee

Genealogy and Local History

By Claire Travis

Ever watched DNA Journey (currently showing on TV) or Long Lost Families or 'Who Do You Think You Are' and wondered about your family history or who might have lived in your house years ago?

Having been interested in genealogy for some 30 years and having an enquiring mind as to who lived in my house in Hempton before me, I started looking at other people who were around at different points in history. For example:

- When the Holy Trinity Church was built (1856)
- When the first census was taken (1841)
- Who worked the Tower Mill (before it was taken down in 1940s)
- Who were the men whose lives were lost in WWII who are commemorated by the building of the village hall
- Who was Clarence Batterby (man after whom Batterby Green is named)

If you are interested and have access to <http://www.ancestry.co.uk> I have created a public tree with answers to these and other questions, all about Hempton. The tree is called 'Hempton Local History'.

If you are keen and would like to assist me in developing the local history knowledge, get in contact... clairejtravis@gmail.com
